

1. Sexually Assaulted and Sexually Harassed by direct report and after reporting the violation no immediate action was taken to protect me from the defendant's retaliatory actions or comments. The defendant was given an opportunity to violate me for a 2<sup>nd</sup> time; which led to the ongoing discrimination, harassment, threats of violence and hostile workplace.
2. Retaliation and Violent Threats to cause me harm and against me for being a woman in the Interim Sr. Operations Administrator role and hired as the FT Ops Administrator for the City of Memphis Solid Waste Management Division.
3. Ongoing Discrimination for being a female black woman reporting threats, violent acts of slashing my face on City of Memphis Communication Board recognizing employees for accomplishments, festivities and Community Involvement, Audio of Subordinates (Managers) making derogatory, demeaning and violent comments of causing me harm and plotting to sabotage my employment with the City of Memphis Solid Waste Management Division, Receipt of texts to cause me harm and calls alleging I was being watched and I should be careful in Memphis, TN
4. Continuous Retaliation: False Allegations and Accusations of Work Place Harassment filed with EDI against me in efforts to have my employment terminated
5. Continuous Open Threats witnessed by numerous individuals (senior leadership and hourly) referencing the orchestration of my termination from City of Memphis
6. Mental Anguish of continuous undermining of my role and title because I am a black woman in a leadership role; which male counterparts openly advised I did not deserve and I needed to be rid of.
7. Constant Investigations being launched due to retaliatory efforts of male counterparts and individuals recruited to assist with the reporting of erroneous complaints of harassment.
